

July 29, 2008

BOSS International
6300 University Avenue
Madison, WI 53562 USA
Attention: Peter J. Arnold

Hi Peter,

We carefully considered your request for approval of StormNET Model by Development Approvals, Water Resources.

We decided to accept the stormwater report based on StormNET model analysis.

The StormNET model will be tested through City IT group. Once the StormNET passes the test, we will formally accept this model and put this model into our manual on next manual update.

Zhong Xiang, M.Sc., P. Eng.

Development Engineer, Development Approvals
