RE: StormNET Software

Dear Ms. Rohde:

StormNET is approved by the City of Grand Junction for stormwater and wastewater Modeling and design. All hydrology computations/modeling and design of storm drainage systems shall be performed in accordance with the Mesa Country/City of Grand Junction Stormwater Management Manual, latest edition.

For further information please contact me at (970)244-1559 or Bret Guillory, Utility Engineer at (970)244-1590.

Sincerely,

A handwritten signature in black ink that reads "J. Don Newton".

J. Don Newton, P.E.
Engineering Projects Manager
